U.OF P. ATHLETES TO COMPETE ABROAD. Four Red and Blue Stars Will Enter for Coronation

Sports at London and Other

PHILADELPHIA, Pa., May 8 .- Four University of Pennsylvania athletes have decided to go abroad this summer and will represent their alma mater at the world's athletic games in England. The men who will endeavor to uphold the marvellous record made by the 1900 Red and Blue team are Capt. J. S. Westney, J. K. Baillee, S. A. Allen and A. L. Gray. These four are the best athletes now in college, and they should be able to more than hold their own with the many nations they will meet.

The party will sail from Boston early in June, so as to be in London in time for the coronation games at S.amford Bridge. They will also enter for the English championship, a couple of weeks later. Westney will then leave for Paris and Vienna, where he will wear the Red and Blue in the French and Austrian athletic championships. The other three will remain in England and compete in various open meets until the middle of August, when they will return. Westney will be back in America about the same time and if possible will return on the same boat. Westney, the captain of the University track team, is one of the fastest sprint-
